If you are like me, and have been involved with Internet Marketing for more than a couple of months, you have TONS of Ebooks that you have downloaded.

Let me ask you...what have you really done with those Ebooks....What did they offer? Did you make money with them?

Did you build a list with them?

OR

Are all those Ebooks just taking up space on Your Computer? If you added up all the money you spent on the Ebooks (or what the Ebooks were selling) how much would it be?

The people selling you all those other Ebooks just want to TAKE your money... You Know it, and I know it.

I am going to show you how to MAKE money, how to BUILD a Huge List, how to get that list to GIVE you money.

Sound Impossible? Well...Here we Go!

Don't worry, I will explain how.

The Traffic Exchange or Text Ad Exchange also listed, Each has a Downline Builder...That is where you join the program and then put in Your Affiliate link....

Then the next person YOU bring will join the same programs and be Under You.

BUT, here is the usual problem marketers run into.... YOU have to bring in the people so they can join these Programs under you.

What does that mean?

It means you have to Advertise for Each Traffic Exchange. This is time and money just to get a couple of referrals. For those of you who have put your Affiliate link in those Downline Builders...

How many Referral Did you Get? Did you make Money off of them? Of course not! Maybe you got 3 or maybe even 10, what good does that do?

NOW, Just Imagine...

A Downline Builder that was VIRAL, A Downline Builder that got sent out over the Internet and Every Person who saw it, signed up in those traffic exchanges.....and got put UNDER You....and then the next person who got it....Got Put under you....OVER AND OVER!

You see...I have taken the Downline Builder that is on a Static Webpage, like a Traffic Exchange, and made it VIRAL!

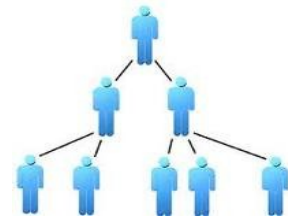

Instead of you having to BRING people to the Website....YOU bring the website to them. ARE YOU GETTING THIS!

Once you send out this Ebook..It will keep going, and going, and going. In a Traditional Downline Builder, you have to bring in people....

NOW you can simple give away this Very Ebook, and you will be building a Downline in Traffic Exchanges, and the Viral Sites, and the Traffic Generators!

Whatever you are Advertising will be seen by thousands on each of these Sites. You are going to build Downlines on Each Site, You will earn Credits when you bring in a Referral from this very Ebook.

Its So Simple... Just Advertise this One Ebook, and Marketers will join Under You on All the Sites Listed Above!

Oh...and by the way...I threw in the **BONUS** for 3000 Solos!

And the BONUS for GetInFree.com (**Bonus#1**) is AWESOME. As you bring in Referrals to the Site (From this Ebook), You will Earn Credits that you can use to buy AWESOME Stuff!

NOW...One of my Favorites! ViralTrafficSearch! (**Bonus #3**) This will get Whatever Site you want Seen by Thousands. And Every Person who Sees this Ebook After you will Earn You Thousands of Credits....Because Your ViralTraffic Link will be the one getting click on! Over and Over!
